

## Appropriate Clothing and Nappies

Please ensure that you send your child in appropriate clothing. Layers are ideal as we play outside whatever the weather conditions. Appropriate shoes/boots, coats, hats, scarfs and gloves must be provided. May we also remind you to name your child's belongings and send in a spare set of clothes for your child's peg as we have a very limited amount of spare clothes in the Nursery. **Nappies and wipes need to be provided by parents. If we use nursery nappies you will be charged.**

## First few weeks and Settling In

For the first few weeks of this term, we will be learning about ourselves and concentrating on settling all children into nursery. We will then plan activities daily in line with the children's interests. Remember, if your child is new to nursery or returning, being at nursery with the routine and all the lovely toys can be distracting, there is so much to do so children will often have toileting accidents just while they settle into nursery life. Please try not to worry. Please put your child in warm clothes as the weather is changing.

## Reminders

- If your child is off sick or on holiday please phone or email the nursery. We do monitor children's attendance.
- It is very important that if someone else is collecting your child you tell a member of staff. Staff will not let your child go with anyone we do not recognise.

## Dates for the Diary:

Harvest Festival: **2<sup>nd</sup> October 2024**

October Half Term: **28<sup>th</sup> October 2024**

Diwali **01 November 2024**

Nursery Re-opens: **4<sup>th</sup> Nov 2024**

Monster party: **8<sup>th</sup> November 2024**

**Tues 5<sup>th</sup> November – Diwali culture Day at nursery**

Dear Parents and Carers,

Firstly, we would like to take this opportunity to welcome all our new parents and carers to Learning Corner nursery and for all our returning families.

**Please read the newsletter for all nursery updates.**

## Staff

Our Nursery Manager is Nabeela Taj.

Our Deputy Manager is Ateyah Hussain.

## Pres School Learning Logs:

Homework will be sent home every Thursdays and returned back on Tuesdays. It will be an activity that will support concepts and skills learned from our nursery and also followed by our nursery curriculum.

## Childhood illness and infection control

If you or your child show new symptoms of illness which align with the recent covid-19 symptoms, it is extremely important that the nursery is notified via telephone so that the correct guidance to keep every individual safe is followed through effectively. The main symptoms include a **high temperature, continuous cough and symptoms of a cold.**

If you have any queries regarding any of the above, please do not hesitate to contact the nursery.

Thankyou all for your continuous support 😊
